EXPO STEP DIAG. GROOVE

103,4x38,8xh141 cm

Base culla (vuota) **PBJE**

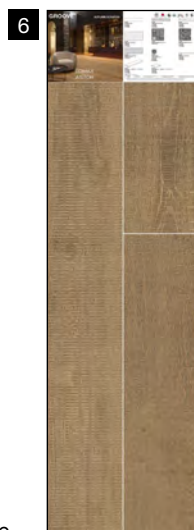

Base step composta da 3 elementi: base, schiena e triangolo brandizzato.

Tutti questi componenti sono reversibili in modo da essere utilizzati con fresature che corrono sia verso destra che verso sinistra.

La base è componibile permettendo l'assemblaggio di più moduli per formare una struttura più grande. Il triangolo brandizzato viene fornito con viti di montaggio.

Base step composta da 3 elementi: base, schiena e triangolo brandizzato.

Tutti questi componenti sono reversibili in modo da essere utilizzati con fresature che corrono sia verso destra che verso sinistra.

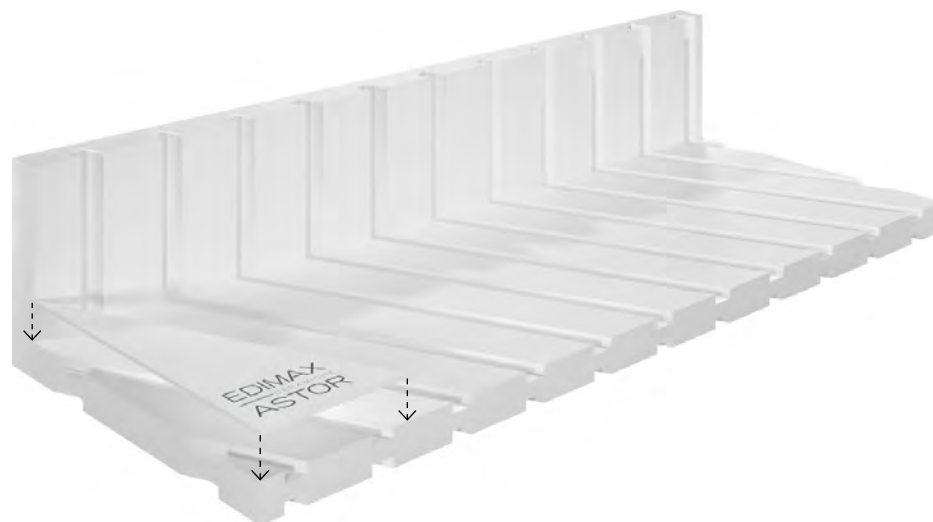

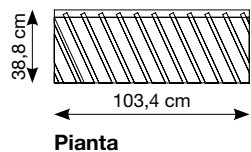

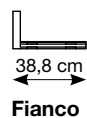

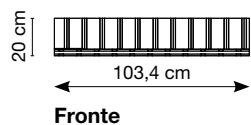

La base è componibile permettendo l'assemblaggio di più moduli per formare una struttura più grande.

Il triangolo brandizzato viene fornito con viti di montaggio.
